BERRY BUSH

1976

In this year of 1976, we celebrate the nation's Bicentennial.

For two hundred years young people have been moving through American schools, filling our nation and the world with those who have met the challenge of improving the condition of mankind.

For nearly one quarter of that time, Cranberry High School has contributed its resources and its citizens to that course.

This year, as in all those others, Cranberry students have participated in those activities that are the goals of American education. Now we celebrate this, our '76 Bicentennial year, while we prepare ourselves for the tasks that lie ahead — in America's coming century.

This year's senior class trip to Washington D.C. took place October 29, 30, 31. Ninety seniors and their five chaperones visited many historical sites, including a sideline tour of Gettysburg on the way to Washington.

Once in the Capital, the seniors toured such interesting places as the Bureau of Engraving, the Washington Monument, the White House, the Capitol Building, the F.B.I., and the Smithsonian Institute.

Seniors occupied the Woodner Hotel during the three day visit.

Chaperones for the trip were: Mrs. Weibel, Mrs. Prato, Mrs. Hess, Mr. Menacher, and Mr. Crowther.

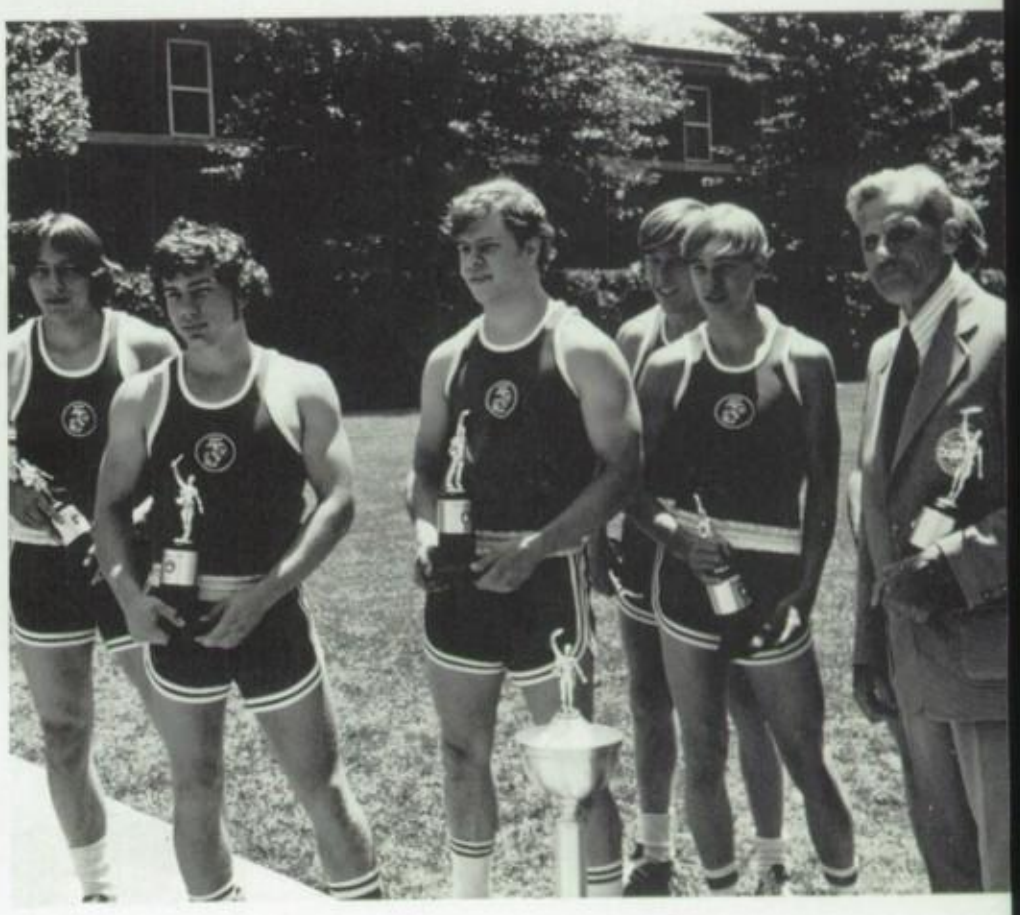
Physical Fitness

Led by Coach Byron Johnston, Cranberry's physical fitness team goes forth in '76 in quest of their third successive national championship.

ROW 1: Bonnie Fair, Louise Wenner, Lori Strickland, Dawn Strickland ROW 2: Coach Johnston, Jed Hatch, Chris Lander, Frank Schubert, Budd Rice, Oscar Stoltz, Kevin Dennis ROW 3: Chuck Sheatz, Jeff Barletta, Jeff Bucholtz, Shane Hoover, Mike Bucholtz, Harry Wenner ROW 4: Jon Kahle, Don Cowles, Doug Lander, Ross Weckerly, John McGinnis, Jim Sheatz, Larry Kay, Mark Knight, Keith Donahey, Denny Hickman, Mark Alabaugh, Joe Sandrock, Tony Panneta, George Cunningham

"Coach" Byron A. Johnston



Mr. Johnston was educated at Butler High School in Butler, Pa. He obtained his Bachelor's Degree at Slippery Rock State Teaching College and his Master's Degree at the University of Pittsburgh.

He spent the years 1942–1946 in the Army-Air Force where he gained skill in physical education, drugs, and aquatics.

He began teaching in 1941, coming to Cranberry in 1942. Mr. Johnston taught general science and social science in his first years, then health and physical education.

Among the many different areas of coaching he has worked in are basketball for twenty one years, 1942–1963; baseball for nineteen years, 1940–1959; track, 1965–1972; and physical fitness, 1963–1976.

"Coach" has been involved in many community programs over the years. Aquatics has been a great experience to him. "I believe that saving a four year old girl from drowning at the Tionesta Creek during my tour of duty there has made my life complete." All totaled, "Coach" has saved fourteen people from drowning.

Mr. Johnston initiated a Cranberry Elementary School basketball program, started both boys and girls physical fitness teams, the bowling program, which was the first co-educational sports program at Cranberry, track, and mini-course lessons in swimming and life-saving at the Y.M.C.A.

Coach Johnston's athletes have compiled upwards of 500 wins in basketball, 160 victories in baseball, over thirty track meet honors and an astronomically high ten year record in physical fitness, capped by back to back Physical Fitness National Championships.

There have been championships in the other areas of basketball, baseball, and track as well.

Coach Johnston thanks the administrators, teachers, the students of Cranberry, the parents; those who have made it possible for him to have loved his years at Cranberry.

He speaks lovingly of his wife and family. He is grateful for their strength and their support.

Dear Mr. Johnston:

I wholeheartedly congratulate you and the members of your physical fitness team. Your successive victories in the Marine Corps National Physical Fitness Championships indicate that Cranberry High School is vitally concerned about both the intellectual and physical growth of its students.

I hope you will convey my very special regards to Budd Rice and his teammates, Denny Lineman, Blaine Mason, Jeff Stoltz, Phil Stoltz and Larry Stralko. May you and your team have a pleasant summer and a memorable Bicentennial year.

Sincerely,

Gerald R. Ford

Golf

Berry golfers are impressive this year. "The greatest golf team in Cranberry history," is Coach Richard "Bud" Menacher's comment.

Four seniors: Jim Allen, Scott Amsdell, Jeff Kelly, and Dave Hasek, combined with sophomore Andy Cutler, establish a school single match golf record of 402 team total this year.

Honors go to Jim Allen, who makes the All-Section II team for the fourth consecutive year. Allen wins the Section II tourney for the second year, and follows up with a victory in the District X Tournament. In state tourney competition, Jim scores the third lowest 18 hole round.

Scott Amsdell posts an impressive runner-up card in the district, as the Berry golfers place third in District X competition.

FRONT: Mr. Richard Menacher — coach, Andy Cutler, Jeff Kelly, Mike Barber; BACK: Scott Amsdell, Dave Hasek, Jim Allen.

The Girls Basketball team enjoys a successful season this year, winning the Section 2 Class AA title. Posting an 11–3 record, the girls finished in a tie for 2nd overall in the section, guaranteeing themselves a playoff berth.

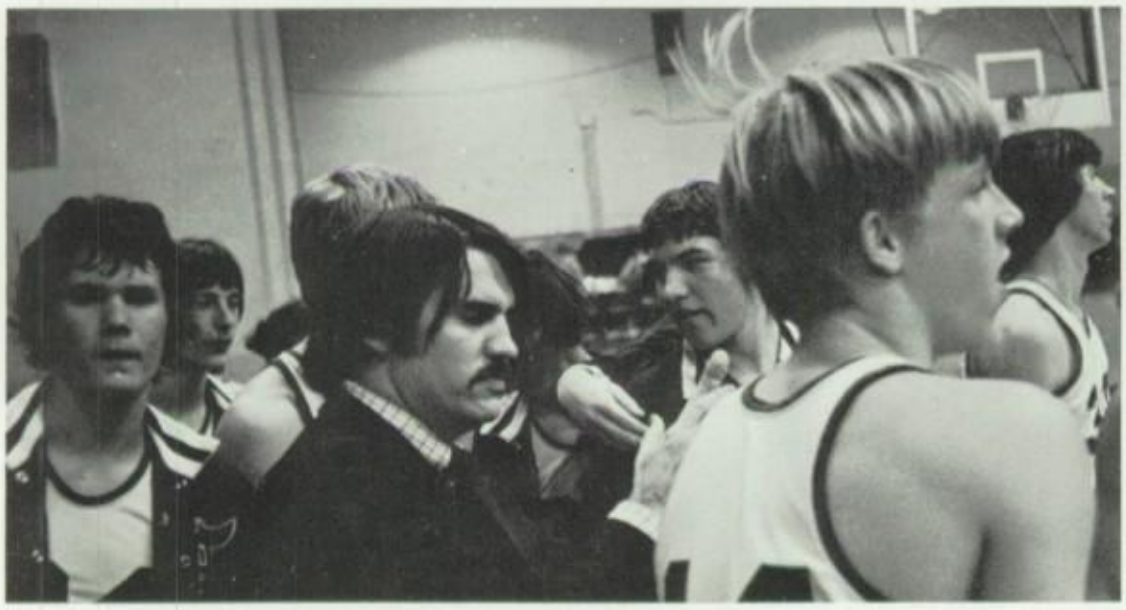
Mr. Harold Clark, coach



Coach Harold Clark calls this year's Berries, "A great team." "They were the finest group of young men I've ever had to work with."

Mr. Clark feels that, though a small team, the Berries' "pride, poise, and talent rose to the occasion many times this year.

With nine seniors, including the entire starting team, leaving in '76, Berry fans will need to rely on this year's junior talent as we look to the future.

Injuries prevent this year's Berrie grapplers from an impressive record, but this situation enables rising, younger Berrie matmen to gain valued experience.

Impressive records are compiled by seniors Jed Hatch, 13–3, with 4 pins; Chris Lander, 11–3–1 with 4 pins; and Frank Schubert, 10–6, with 5 pins.

Schubert shared pinning honors with junior Don Cowles, 12–1–1, who also registered 5.

Nine underclassmen earn letters in varsity wrestling this year.

Boys Track

Track coach, Harold Clark, believes the '74–'75 Berrie track team had "quality," though the 3 and 8 record wasn't impressive.

Events in jumping, sprinting, hurdling, and distance were handled well by Berrie tracksmen.

The coach believes the quality of our track candidates is increasing and is eager to face the coming season.

Venango County is the home of Joy Manufacturing Company's Mining Machinery Division. Joseph F. Joy brought his company to Franklin in 1924. Since then it has grown to become the world's largest manufacturer of underground mining machinery. And we're playing a key role in solving today's energy crisis. It's been estimated that 2 out of every 7 light bulbs in this country are lit by the energy from coal, mined by Joy machines built in Franklin by the people of Venango County.

Joy is a leader in other respects as well. With 2000 employees, and an annual payroll of $25 million, we're the county's leading employer. Our people have selected Joy as the best place to work, and most have selected Venango County as the best place to live. We're involved in our community . . . in education, recreation, community service, and cultural activity.

We recognize that people are our most valuable resource . . . and that the students of today are the leaders of tomorrow. Congratulations and Best Wishes to Cranberry Area High School Class of '76.
